LOTS OF LOONACY!

Loonacy

This original version has pictures from all the classic Fluxx games. Pizza, milk and cookies, a purple car, a pyramid, a cat, a toaster. It's a sure-fire winner for all the Looney Labs fans out there.

Mary Engelbreit Loonacy

This adorably charming and family-friendly version of Loonacy showcases the artwork of renowned illustrator Mary Engelbreit.

Olympus Loonacy

The maniacal matching fun of Loonacy has reached Mount Olympus! Featuring all the greatest deities and heroes of Greek and Roman mythology, each stunningly depicted by illustrator Echo Chernik. Aphrodite says you'll love it!

Custom Loonacy

You can create your own custom Loonacy deck for just \$10 at customloonacy.com. They're great for personalized gifts! Ask us about our pricing if you're interested in buying an entire short run of 1,000 games for corporate gifts or small business marketing options.

TIME TRAVEL GAMES

Time Breaker

It's a chase across time to catch a chronocriminal! 2-5 players become Time Agents racing to capture the Time Breaker and bring them back to Time Repair HQ before someone else does!

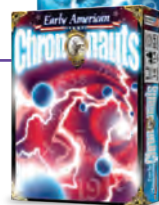

Chrononauts

Chrononauts is a many-layered time travel game that enables players to alter historic realities in the 20th century and collect artifacts from the past or the future. It can be played solo or with up to five others!

Early-American Chrononauts

Time travel moves into another century! It's got everything you love about the original game, but now in the 1800's. Combine with Chrononauts for a multi-century experience called ÜberChrononauts!

Star Trek Chrono-Trek

In this version of Chrononauts, 2-6 players become classic *Star Trek* characters from (almost) every era of the franchise, each seeking to find a way back to their version of reality by changing *Star Trek* history.

LOONEY PYRAMIDS

Pyramid Arcade

It's a complete game library in one box! Contains 90 of our signature gaming pyramids along with all the special bits and instructions needed to play 22 different tabletop games. Some are easy, some complex. Endless fun for 2-10 players!

Zendo

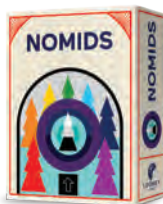

A Mensa award winning game of inductive logic where players observe patterns and test their hypotheses to discover the moderator's secret rule.

Pink Hijinks

A roll of the die determines which piece(s) to move while attempting to fill your row with three of the same-sized pyramids. This game for two only takes 15 minutes, and features a new color... pink!

Nomids

An introductory game with for 2-10 players. Everyone starts with 3 pyramids. The first player to get rid of them all – to have no 'mids – is the winner!

Ice Duo

A pair of very different two-player games; a press-your-luck style dice game, and a secret goal strategy game!

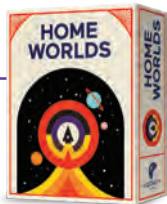

Martian Chess

An out-of-this-world game in which color has no meaning and position is everything! It also adds a brand-new pyramid color, Martian Red! For 2 players.

Homeworlds

Homeworlds is a deep abstract strategy game of perfect information, resource management, and galactic war. Can you destroy your opponent's Homeworld before their space fleet reaches yours?

FAMILY AND PARTY

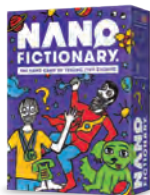

Get the MacGuffin

In this always-quick card game, 2-11 players must make the best use of the few cards they are dealt to keep themselves in the game until the very end. Some cards are powerful, others not so much. The coveted MacGuffin can make all the difference!

Just Desserts

It's a dessert party! But we are the wait-staff. Be the first to serve a full group of finicky guests, each of whom is craving a different selection of mouth-watering desserts. For 2-6 players.

Nanofictionary

What's your story? Players combine character, setting, problem, and resolution cards to create a unique tale to tell.

Are You the Traitor and Are You a Robot

Two simple social deduction games of good versus evil! In *Are You the Traitor* you'll play to find which of your friends you can trust while they try to determine if they can trust you. Similarly, you'll need to be good at spotting liars to figure out who's really a human while playing *Are You a Robot...* multiple copies of which can be combined to play with bigger groups!

As seen on BGA!

GAMES FOR ALL AGES!

Mad Libs: The Game

It's a party game for 3-8 players based on Mad Libs®, the world's most popular word game. Fill in the funny using cards that capture all the unexpected silliness of the classic activity books.

Choose One

How well do you know the other players? Can you predict what they will choose? Do they prefer Chocolate or Vanilla? Cats or Dogs? Bagpipes or Kazoos? For 3-10 players. Contains 300 choices to be made!

Aquarius and Seven Dragons

Similar games with very different artwork, these domino-style card games feature secret goals and include rules for playing with children as young as 3. *Aquarius* has sixties-style artwork of the elements (earth, air, fire, water, and space). *Seven Dragons* features paintings by famed dragon master Larry Elmore!
